PIPE LIFT™

Phone: 800-653-6069
Corp Site: www.kenco.com
Web Store: shop.kenco.com
Email: sales@kenco.com

The Kenco Pipe Lift™ is the safest, most cost-effective way to move metal, plastic or concrete pipe. Increase production output and decrease time spent on pipe lifting operations.

Automatic Actuator
perform one pick after
another, hands free
Size: Medium, included

No Hydraulics
complete mechanically
driven action

**Can be fit with rubber lining
at additional cost*

Wide Profile
creates a stable lift even
if pipe is gripped off-center
